

RISSWANTH ROY

Web Developer

Tirupattur, Tamil Nadu – 635601 | +91-9123571953 | risswanthroy@gmail.com

SUMMARY

MCA graduate and Web Developer with internship experience in frontend and mobile app development. Proficient in HTML, CSS, JavaScript, React, React Native, Node.js, and MySQL. Skilled in building responsive applications, integrating REST APIs, and collaborating in Agile teams.

SKILLS

Languages: Python, JavaScript

Frontend: HTML5, CSS3, JavaScript (ES6+), React JS, React Native

Backend & Database: Node.js, MySQL, SQL (CRUD Operations)

Tools: Visual Studio Code, Git, AI Productivity Tools

Concepts: Responsive Web Design, UI/UX Basics, SDLC, RESTful APIs

EXPERIENCE

Mobile Application Development Intern, Tecxy INC — Tirupattur

3 Months

- Developed and integrated features for mobile applications using React Native.
- Designed responsive UI components for Android and iOS platforms.
- Conducted unit testing, debugging, and performance optimization for quality deliverables.
- Participated in Agile sprint planning, daily stand-ups, and code reviews.

Full Stack Development Intern, Queen Bugs — Tirupattur

1 Month

- Built responsive web applications using HTML, CSS, JavaScript, and PHP.
- Assisted in backend development, database management, and REST API integration.
- Gained hands-on experience across the SDLC, from planning to deployment.

ACADEMIC PROJECTS

FlatFix – Apartment Maintenance Complaint System

PG Major Project

- Built a React Native app for residents to raise, track, and resolve maintenance complaints with real-time status updates, notifications, and authentication.

Air Routes Management System

PG Mini Project

- Developed a travel management app using Node.js REST APIs and AngularJS, supporting route search, scheduling, and filtering.

Blood Banking Management System

UG Final Year Project

- Designed a MySQL-based system for donor, stock, and patient record management with CRUD operations and form validation.

EDUCATION

Master of Computer Applications (MCA) & PG Diploma in Data Science

2024 – 2026

Sacred Heart College (Autonomous), Tirupattur, Tamil Nadu

Bachelor of Science in Computer Science (B.Sc CS)

2021 – 2024

Sacred Heart College (Autonomous), Tirupattur, Tamil Nadu

CERTIFICATIONS

- Full Stack Development — Hands-on frontend and backend experience with real-time projects.
- Mastering AI Tools — Practical application of AI tools for learning, coding, and project development.

LANGUAGES

English (Professional), Tamil (Native)
